DECISION ON PETITION TO WITHDRAW HOLDING OF ABANDONMENT UNDER 37 CFR §1.181

This is a decision on the petition, filed December 13, 2004, requesting the Withdrawal of the Holding of Abandonment of the above-identified application, which has been treated as a petition under 37 CFR §1.181. In support of the petition, Petitioner provides a copy of (1) an amendment filed in response to the Office action of mail date April 23, 2004 and three separate checks (one for filing an IDS, one for extra independent claims and one combined check to cover both a 3-month extension of time and an undetermined amount of claims in a National Stage application). The Office records show each of the checks was processed on October 15, 2004. Further, Petitioner provided a postcard with a PTO stamp indicating receipt at the USPTO on October 12, 2004 of the aforementioned items. Petitioner has also noted the confirmation of abandonment stated in an interview with the examiner was made by an attorney not of record. In any event, the fact that the amendment was timely filed negates the actions taken by the examiner in accordance with the interview. The Office regrets any inconveniences this may have caused the applicant.

Petitioner has established that a response was filed on October 12, 2004 with the requisite fees for a 3-month extension of time necessary for the response to be considered timely.

M.P.E.P. § 503 states:

A post card receipt which itemizes and properly identifies the items which are being filed serves as *prima facie* evidence of receipt in the USPTO of all the items listed thereon on the date stamped thereon by the USPTO.

Accordingly, the petition is **<u>GRANTED</u>**. The Notice of Abandonment is **WITHDRAWN**.
